SUBJECT: FY25 Annual Report

The Commission recently released the FY2025 Annual Report, which highlights key activities, initiatives, and accomplishments from the past year. The report provides an overview of the Commission’s work to advance health care quality, transparency, and innovation across Maryland, including updates on major programs, policy developments, and stakeholder engagement efforts. It also summarizes progress toward strategic priorities and outlines areas of continued focus for the coming year. A copy of the Annual Report is attached for your information, and it is also available on our [website](#).

New this year, the Commission also developed a one-page summary that highlights key accomplishments and initiatives from the report in a concise “leave-behind” format for stakeholders. A copy of the summary is attached for your information and is also available on the Commission’s [website](#).
